## **Making the Most of Work Experience**

Dear Parents and Carers,

As part of our work experience programme here at Meden School, we believe it is crucial to support our students to make informed decisions about the next steps they will take towards aspirational roles in their chosen career paths.

We would like you to be involved in this process as much as possible. Evidence shows that the more young people are engaged in conversations around careers, the better their outcomes are towards succeeding in these.

With this in mind, we would like to invite you to our first 'Making the Most of Work Experience' event on **Thursday 26<sup>th</sup> October 2023 6pm until 7pm in our main hall**. You are welcome to bring younger siblings, as you are all part of our wider school community.

The event will inform parents and carers about attending work experience later this academic year and how to support their children in securing a meaningful placement. I will commence with a short presentation and there will be an opportunity at the end to ask any questions you may have. Miss Singleton and I will then be available afterwards to speak to individuals about any personal queries.

Please book your place by scanning the QR code below. We hope to see you at the event.

Kind regards

Mr C Hill MCCT MRSB  
Head of Careers
