

Dear Parents,

As we approach the end of the first academic term I wanted to take this opportunity to inform you of some of the events that are happening in the run up to Christmas.

### **Rotary Raffle**

Raffle tickets for the Rotary Club Christmas prize draw are available from reception. With well over £1000 worth of prizes it's certainly worth grabbing yourself a few.

### **The Christmas Concert**

We are all looking forward to this year's Christmas concert on Wednesday 14<sup>th</sup> December from 6pm. With performances from the school concert band and a variety of other music, drama and dance acts. Tickets are available from the door on the evening. Refreshments and raffle will also take place on the evening. We look forward to seeing you there!

### **Warsop Christmas Fayre**

Warsop Christmas Fayre is being held on the Friday 9th December and to help you get in the Christmas spirit, we are pleased to announce that the Meden School concert band will be playing from 6pm until 8pm. Please come along and support our students during this popular event.

### **Tinsel Tea**

Our Food Technology Department is hosting a tea party during the last week of term. Our KS4 students have been working hard preparing the delicious food whilst the rest of school have been nominating members of the community they feel they would like to invite to the tea party. Watch out for these special invitations!!

### **Lesson drop in**

I am sure many of you will have attended Meden School yourself and all of you will have a memory of what lessons were like when you were at school. Meden School invites you to watch our teachers in action, get a sense of what the day is like for your children, experience lessons and see how much things have changed since you have left education.

If you are interested in finding out more about this opportunity, please contact Mr D Brown at DaBrown@medenschool.co.uk or telephone 01623 843517.

PTO...

### **Questionnaires**

Thank you to all of you who responded to the school involvement questionnaire we sent out in September. We are taking on board all of your comments and I hope you will see the developments in the way Meden School interacts with its community.

### **You Said, We Did**

A new section of the website will be launched very soon. The 'You said, We did' section will highlight some of the requests you made to us and the actions we have taken to try and make these things happen. Watch this space!

### **Reminder about Christmas term dates**

The last day of term for all Meden students is Friday 16<sup>th</sup> December. The first day back in the New Year is Monday 9<sup>th</sup> January.

Thank you for your continued support

Mr Dan Brown
