

## MEDEN SCHOOL

### New School Day Consultation

Parents/Carers

I am proposing that the school day be changed from September this year. The purpose of this letter is to give you an outline of the changes we are considering, whilst at the same time seeking your views on the alteration. The proposal is that the school day changes from September as follows.

- Monday to Thursday 8.30-3.30, each day being a 7 period day.
- Friday 8.30-2.00, 5 periods.

This would result in a 33 period week for students.

The rationale for this is:

- Increased learning time, which will further help raise achievement.
- Enable more flexibility when timetabling.
- Tuesday period 7 would be a study skills period giving the flexibility of whole cohort activities/intervention without disruption to the learning week.
- Terms and Conditions for employees would be brought in to line across the whole Torch Group.

Your views and opinions are very important to us. If you would like to submit any feedback, then please do so by Tuesday 3rd June in one of the following ways:

- In writing, handed to reception
- By email to [office@medenschool.co.uk](mailto:office@medenschool.co.uk)

Thank you for your continued support,

Mr D Hooker
