## 10 Week Plans / Year 11 Success Hub

Dear Parent/Carer

As we come to the end of half term, we are continuing to support our Y11 students as much as possible, to be better prepared for the summer exams.

### Year 11 Success Hub

Our school website features a dedicated section for Year 11 students called **Year 11 Success Hub** and here is a direct link <https://www.medenschool.co.uk/page.php?p=y11success>

**If you haven't already accessed this page please take a look.** This is where you can find lots of useful resources to support you and your child in the run up to the exams. I have also put a link to the hub directly from our home page.

Here you will find things like:

- Mock timetables & topics to revise
- 100-day countdown
- How to revise guide & tips
- Important links
- Masterclasses
- **10 week plans for every subject.**

This academic year is a pivotal time for these students and in addition to the support they are receiving in class and in afterschool interventions, **staff have prepared a plan for each subject for the next 10 school weeks.**

These plans aim to give students details of what materials will be taught in lessons over the next 10 school weeks; areas to revise as well as recommended methods of revision. They can be used to help students organise their revision, and better prepare themselves throughout the months ahead.

We have organised the plans in to different subjects. For Maths, English & Science they are also broken down in to individual classes. Your child should know which class they are in, but if you are unsure, this information is on their timetable that can be found on the MCAS app.

Further resources will be added to the Y11 Success Hub regularly, throughout the coming months, and this is your 'go-to' area for help and support.

If you have any difficulties logging on, or accessing your MCAS account or any further questions, then please email [office@medenschool.co.uk](mailto:office@medenschool.co.uk) and we will be happy to help.

Thank you for your continued support,

Mr J Smith  
Headteacher
