

Dear Parent /Carer

Alteration to the school day from September 2017, change to Wednesdays only.

You will be aware, during this academic year, the final period on a Wednesday has developed into a further period of study, giving student’s additional time to complete private learning and homework. This has also allowed us time to support students with exam preparation and to offer subject “booster” sessions. Due to the success of this change, the timings for the school day will now be brought into line with other days during the week.
