

Invitation letter for parents of children aged 12 to 15 years of age

Dear Parent/Carer,

COVID-19 vaccination for children aged 12 to 15 years of age on the day of the vaccination session.

I am writing to inform you that we will soon be offering COVID-19 vaccinations in school. I would like to ask if you wish to give your consent for your child to receive a first/second dose of the vaccine.

This vaccination will be free of charge and our highest priority is making it easy for children to access.

The main purpose of the COVID-19 school age vaccination programme is to provide protection to the children who receive the vaccine and may help to reduce transmission of COVID-19 in the wider population.

During the vaccination delivery we will maintain the range of measures we have in place to keep you safe from COVID-19.

Please note that should your child have tested positive for Covid they will need to wait 12 weeks before receiving their vaccination.

Please complete the online consent form using the link and school code below:

<https://www.nottinghamshireimmunisations.co.uk/Forms/Covid>

School Code: **NG138411**

By consenting you will be helping to play your part in reducing the risk of COVID-19 spreading. PLEASE NOTE: The consent link will close at 1.30pm the day before the session. If your child's school session is on a Monday, the consent link will close at 1.30pm the Friday before.

Best wishes,

School Aged Immunisation Team
