

Timetable of work for Years 9 and 10

Dear students,

During the time that you are not in school, it is essential that you keep up with your education and learning.

Your class teachers will be setting you work through email and the school homework website.

You should be spending up to 150 minutes each morning and each afternoon, completing the tasks set by your teachers.

We have divided the week up into morning and afternoon slots, so that you have a structure to when you do your work for the different subjects (see table below).

Completed tasks should be emailed back to the teacher. If you take a photo of your work and send it by email, it **MUST** be sent through your school account.

Your teachers will be monitoring the work you do and giving feedback / marks where possible and appropriate.

If you do not have access to a computer, please email lbrett@medenscool.co.uk to let me know. However, most work should be able to be completed on paper, if you do not have a computer. If you know of a friend who does not have access to emails and so will not see this message, can you please let me know their names.

Remember our motto - Work Hard, Be Kind!

Best wishes,

Mrs Brett

Year 10	Monday	Tuesday	Wednesday	Thursday	Friday
morning	English	Science	Maths	Science	Maths
afternoon	Option block A Art Business History PE Sport	Option block B Business Food Geog History IT DT - textiles	Option block C Engineering Geog History Health & Social Media DT - RM	Option block D Drama Engineering French Geog Health & Social ICT	English
