

Dear Parent/Carer

The Immunisation Team has been in touch with some dates for Vaccinations. The dates planned are as follows:

Thursday 17 th March	Year 9	DTP/ACWY and HPV
Thursday 16 th June	Year 8	HPV
	Year 10	DTP/ACWY and HPV
	Year 11	DTP/ACWY
Tuesday 19 th July	Mop up session	

Please can you register your approval/disapproval for your child to receive the appropriate vaccine. In cases where there are more than 1 vaccine you will have to complete one for each.

Full information is available on our website www.medenschool.co.uk and you can access it by viewing the [Student & Parent Portal](#) as shown below.

There are also some information leaflets to help with your choice. Please be mindful when sharing dates with the students as we often find that this increases their anxiety on the run up to the vaccines.

Mop up sessions are used to catch up with any missed sessions for students who could not attend previous sessions.

If you have any questions then you need to contact the Immunisation Team directly using the following information. Telephone 07920 182032 Email sais@nottshc.nhs.uk

School staff are unable to help you with this.

Kind regards

Mrs T Coulson
Operations

Dear Parent/Guardian

Email: sais@nottshc.nhs.uk

Your child is now due their **Meningococcal ACWY vaccination** and their **Tetanus, Diphtheria, and Polio (Teenage 3 in 1 Booster)** vaccination. These vaccines are offered to all students in Year 9. These are part of the childhood immunisation programme.

Why get your child vaccinated?

- **Meningococcal ACWY** – protects your son/daughter against four types of meningococcal bacteria (Types A, C, W and Y) that cause meningitis (inflammation of the brain lining) and septicaemia (blood poisoning). We strongly urge you to take this opportunity to protect your son/daughter against these four infections which, as you will be aware, can kill or have serious life-long consequences.
- **The 3 in 1 booster** – protects your son/daughter against Tetanus, Diphtheria, and Polio, all of which can be very serious diseases. This is a booster for the vaccinations your son/daughter received as a baby, and then again at approximately 3-4 years (the preschool booster).

How do you let us know you want your child to have the vaccinations?

Please fill in one online consent form for each child here ...

<https://www.nottinghamshireimmunisations.co.uk/Forms/DTP>

The code for your child's school is NG138411

Please fill it in as soon as you can to ensure your child gets vaccinated.

Even if you do not want your child to be vaccinated please complete the form to let us know.

If we don't receive an electronic consent form, your son/daughter will be given the opportunity to self-consent. The decision to have the vaccination is legally your son/daughter's as long as they understand the reasons for the vaccination and the issues in giving consent, however the nurse would much rather have your permission as well.

If you need more information

Please visit <http://www.nhs.uk/conditions/vaccinations/pages/vaccination-schedule-age-checklist.aspx> where you can find information about the diseases and the vaccines, as well as links to other useful websites.

Call us on 07920 182032 or email sais@nottshc.nhs.uk if you have any problems or questions. The team will be happy to help.

Dear Parent/Guardian

Your Child's Human Papillomavirus (HPV) Vaccination is now due!

This vaccine is part of the Childhood Immunisation Programme and consists of 2 doses given in school between 6 and 24 months apart.

- Having the HPV vaccine helps protect both boys and girls from Human Papillomavirus related cancers.
- The UK programme has already contributed to preventing future deaths from cancer. We expect it to eventually prevent hundreds of cancer deaths every year.

Further information can be found in the attached leaflet.

How do you let us know you want your child to have the vaccinations?

Please fill in one online consent form for each child here ...

https://www.nottinghamshireimmunisations.co.uk/Forms/HPV_p1

The code for your child's school is NG138411

Even if you do not want your child to be vaccinated please complete the form to let us know

Please Note

If we don't receive a completed form, your son / daughter will be given the opportunity to self-consent. The decision to have the vaccination is legally your son / daughter's as long as they understand the reasons for the vaccination and the issues in giving consent, however, the nurse would much rather have your permission as well.

If You Need More Information

Please visit www.nhs.uk/conditions/vaccinations/hpv-human-papillomavirus-vaccine for further information about the disease and the vaccine, as well as links to other useful websites.

Email SAIS@nottshc.nhs.uk if you have any problems or questions. The team will be happy to help.
