Valentine's Day Fundraising for The British Heart Foundation

Dear Parent/Carer

As a school we are very keen to support worthwhile charities wherever we can. As its Valentine's Day next week, our chosen charity this half term is **The British Heart Foundation**.

Friday 14th February will be a non – uniform day. For a small contribution (we suggest £1) students can come in non-uniform. Any donations will be collected at Tutor time.

CLOTHING MUST BE APPROPRIATE FOR SCHOOL.

Please note the following clothing is unsuitable for school and as such should **NOT BE WORN** on a non-uniform day at any time.

- No skimpy clothing such as crop tops/boob tubes
- No mini skirts, hot pants or shorts
- No offensive slogans or logos.

We would much rather see our students wrapped up warm in appropriate clothing for the time of year so please encourage sensible dress.

A group of our Meden students will also be nominated to take part in some CPR training.

If you are interested in learning more about CPR, here is a link from The British Heart Foundation https://revivr.bhf.org.uk/?utm_source=networkfromportal

In addition to the non-uniform day, **from Monday 10th Feb students will be able to buy a rose to give to someone they care about** whether that's a friend, a partner or a family member. Roses can be purchased for a min £1 donation and attached to the rose will be their personal message. These will be delivered around school on Thursday 13th or Friday 14th Feb by our College Students (or students can take them home). **We will sell these until stocks run out.**

All money raised will be donated to the charity who conduct so much amazing research into all heart and circulatory diseases and the things that cause them such as heart diseases, strokes, vascular dementia and diabetes.

We are always overwhelmed by the donations from our Meden Community and cannot thank you enough for your support.

Kind regards

Mrs. K Kinney
Curriculum Leader of Maths
Associate Senior Leader
