

07 February 2025

**Y9 Options Evening Thursday 6<sup>th</sup> March 6-7.30pm**

Dear Parent/Carer,

Over the next few weeks, your child will be considering their option choices for Year 10. They will be involved in various activities, outlined below, to help them make the best choices for them.

Activities over the coming weeks:

- W/C 10th February students will spend tutorial time exploring their options choices, listening to current KS4 students and advice and support when choosing,
- Taster lessons, within departments, where students can experience what a KS4 lesson would be like in that subject,
- Meetings with Miss Wild or Mr Buxton for students who are struggling with their decisions,
- On Thursday 6th March, we have an Options Evening from 6-7:30pm where you and your child will have the opportunity to discover what is on offer and speak to individual staff and students.

After the Options evening on Thursday 6th March, your child will be able to select their options online using your MCAS account and have until Friday 14th March to submit their choices. If you have not got access to MCAS please email [office@medenschool.co.uk](mailto:office@medenschool.co.uk) and they will help you log on.

All the information on each subject will be available on our website for your reference. Once this is up to date we will share the link to the website with you.

This can be a very exciting time for our students, but I am equally aware that some will find it confusing or daunting. We work very closely with the students to guide them through this process; however, if at any time, you or your child would like more information or support, please do not hesitate to contact their tutor, in the first instance.

Thank you for your continuing support.

Kind regards,

Mrs Wild  
Associate School Leader  
Teacher of Geography
