Y9 Options Evening

Just to give you advanced notice that we will be holding the **Y9 Options Evening on Thursday 6th March 4pm – 7pm**, where you will get the opportunity to talk to subject staff about their courses. This will help you to support your child in choosing the subjects they wish to study in Y10 and 11. Students will be given information beforehand, about the options process, and we will be open a dedicated page on our website with full information about each course. You will then need to choose your child's options through the MCAS app so it is vital you can access this. We will be in touch after half term with more information.

Thank you for your continued support

Kind regards

Miss Wild
