### Y11 Intervention and Support

Dear Parent / Carer

As we begin what is an important year for our Year 11 students, we wanted to write to you to inform you of the intervention support sessions that will take place on Mondays and Tuesdays after school until 4:05pm. These sessions are run with the same expectations as any other lesson, which means that truancy, poor behaviour or lateness will be sanctioned appropriately.

These smaller group sessions will provide extra support for our students in a range of subjects, covering key content, exam skills, exam practice and guided revision and therefore we ask for your support in ensuring full attendance to these lessons.

This support is both targeted and bespoke to individual students and will change throughout the year depending on student needs. We will, of course, communicate any of these changes with you.

I know that many you have already accessed your child's timetable through the Parent Portal, MCAS and may already be aware of which sessions your child has been allocated. If you have not got access to MCAS, I cannot stress how important this is to ensure that you are kept up to date with all communications. If you need support with this, instructions are on the website <https://www.medenschool.co.uk/page.php?p=reports> or email [office@medenschool.co.uk](mailto:office@medenschool.co.uk)

**Intervention Sessions will begin on Monday 9<sup>th</sup> September and will be reviewed each half term.**

There is a late bus on Mondays & Tuesdays for students catching the MEDEN1 and MEDEN2 buses. Please get in touch if you have any other transport concerns.

We are really looking forward to working with you and the students as they begin their final year of GCSEs. If you have any further questions please contact Miss Singleton [osingleton@medenschool.co.uk](mailto:osingleton@medenschool.co.uk) or Miss Wild [cwild@medenschool.co.uk](mailto:cwild@medenschool.co.uk).

Ps: **Don't forget the Year 11 Information Evening on Thursday 19<sup>th</sup> September 6pm.**

Kind regards
