

16<sup>th</sup> June 2022

Dear Parent/Carer,

As students reach the end of their year 11 exam period, I would like to provide some clarity to their final week. We have reduced the total number of lessons they will need to attend however we have added some additional sessions, in preparation for the exams they have yet to take.

It is important to note the following points. When attending school, normal uniform should be worn at all times. If you would like your child to attend school as normal, until the end of their final exam on Thursday, we will of course still accommodate this and you should email [office@medenschool.co.uk](mailto:office@medenschool.co.uk) to confirm. No school transport will be provided for students leaving early. Transport can either be arranged by yourselves, or students can remain in school until the end of the school day and use the school buses. All **locker keys**, **Chromebooks** and **library books** should be returned to school prior to students leaving.

Prom is planned for Thursday 7<sup>th</sup> July, to arrive at the Fretwell Centre for 6.30pm.

The planned Timetable for next week is as follows: -

#### Monday 20th

**Science warm up before school for all students.**

**Science exam for everyone P1/P2**

**M5, M6 and M7 are to attend science p3** - this is essential preparation for their physics exam, they can then leave.

#### Wednesday 22nd
