

Welcome to our 3rd Library Newsletter!

This half term was very festive. We decorated the library for Halloween and Christmas and had the Big Christmas Book Swap! Buddy the elf has visited the library and caused a little bit of mischief.

We celebrated UK Parliament week, and our student librarians did a presentation about it and hosted some fun activities. Our Armistice display was a great success after our student librarians helped decorate it.

We had a lot of new stock and everyone enjoyed our new books.

NEW STUDENT LIBRARIANS

We have successfully appointed 9 new student librarians taking the team to 15!

Training will start in January and we are looking forward to making lots of improvements to our library and stock.

After the holidays, the library will be **closed for 2 weeks** to train our new student librarians and relaunch lunchtime clubs.

Our surprise books continue to be a big hit. We now have more wrapping paper to keep the shelves stocked! If you can't decide what book to read, come and choose a surprise book.

BIG CHRISTMAS BOOK SWAP

Recently, we had the Big Christmas Book swap where lots of students were able to swap and wrap their books to gift to a family member or friend this Christmas.

UK PARLIAMENT WEEK

Merry Christmas from all the library staff, we hope you enjoy the Christmas break and enjoy some great books!

We look forward to you seeing you in 2025

The Student Librarians!
