How will Meden College assess applications and allocate 16-19 Bursary funding?

The 16-19 Bursary Fund is a very limited fund and the school will prioritise allocation. There will be 3 priority groups, categorised as high, medium and low. Students who are eligible for any level of funding should complete an application form and hand it to the College Office as soon as possible, after admission to Meden College, in September. A Bursary Fund Committee will meet to consider applications at all levels. Students who are deemed eligible should be aware that to continue to receive a bursary/funding:

- There must be no unauthorised absences during the school day.
- They must maintain acceptable levels of behaviour and effort.

The Bursary Fund Committee

- The Bursary Fund will be reviewed three times per year (September, January and May to consider and review applications).
- The Bursary Fund Committee will be made up of the Director of Teaching and Learning, the College Leadership Assistant and a Governor.
- The Director of Teaching and Learning will make decisions about applications based upon information about a student's circumstances, well-being, behaviour, progress and attendance.
- Students and their parents/carers should understand that the available fund is limited. Any appeals against decisions can be made to the Chair of Governors, via the Clerk to the Governors who will follow the school's complaints procedure.
