Dear Parents/Carers

I am writing to provide an update after the first week of the new term. It has been a pleasure to see how well our Year 12 and 13 students have settled in. Their enthusiasm and commitment to their studies have been truly inspiring.

This past week, our students participated in several workshops focused on revision techniques, organisation skills, effective note-taking, and strategies for success in their studies this year. It is encouraging to observe that they are already implementing these new skills in their lessons, which will undoubtedly benefit them throughout the year.

As we look forward to a successful year ahead, I would like to share some important dates with you:
