

A Level Psychology

At Meden College

You are expected to complete independent work during any non-contact time or if there is any teacher absence.

Below are any tasks that should be completed as ongoing extended work and can be done if no work has been set by an absent teacher

Boost your employability

Produce an effective line of argument for evaluation

Think outside the box. Apply your knowledge to new scenarios

Statistically analyse and interpret the results of research studies

Organise your ideas by logically Structuring an extended response

Wider reading

What up to date research has taken place in this area? Have a look at - www.sciencedaily.com/news/health_medicine/psychology/

Read the original research for the studies - <https://scholar.google.co.uk/>

Complete reading around the subject - <https://www.bps.org.uk/psychologist/further-reading> and make Cornell notes

Think like a Psychologist!

Develop your A03 in each of your topics

- Correlation or causation?
- Is this falsifiable?
- Is the research valid and reliable?
- Objective or subjective?
- Is the sample generalisable?
- Do the benefits outweigh the cost?
- Do the results support or challenge?
- What are the alternative explanations?

Revise by ...

- ✓ Separating out your A01 and A03
- ✓ RAG rate your knowledge to see areas you are confident in and areas to focus on
- ✓ Practice exam questions and self-mark
- ✓ Seneca and Uplearn
- ✓ Knowledge organisers
- ✓ Test yourself using flash cards and revisit regularly
- ✓ Prioritise the areas you are least confident on
- ✓ Print off past papers and time yourself
