Welcome to the first MHST Parent Newsletter!

We are a wellbeing service who work in your child's school. Here we will provide you with some information about us and our offer.

Who are The MHST?

A low intensity, early intervention, NHS-based service. We work in selected Nottinghamshire schools offering young people support around mild to moderate wellbeing difficulties.

We work across specific Primary and Secondary schools with pupils aged 5-18.

THIS IS OUR TEAM LOGO, YOU MIGHT SEE IT AROUND YOUR CHILD'S SCHOOL ON OUR PROMO POSTERS!

What do The MHST do?

Promote the wellbeing of all pupils in our schools by providing them, their families and staff with Cognitive Behavioural Therapy (CBT) based information, input and strategies.

CBT: The idea that how we think, act and feel are all connected.

By noticing patterns and making small changes to how we think and act, we can reduce feelings of distress, anxiety and low mood.

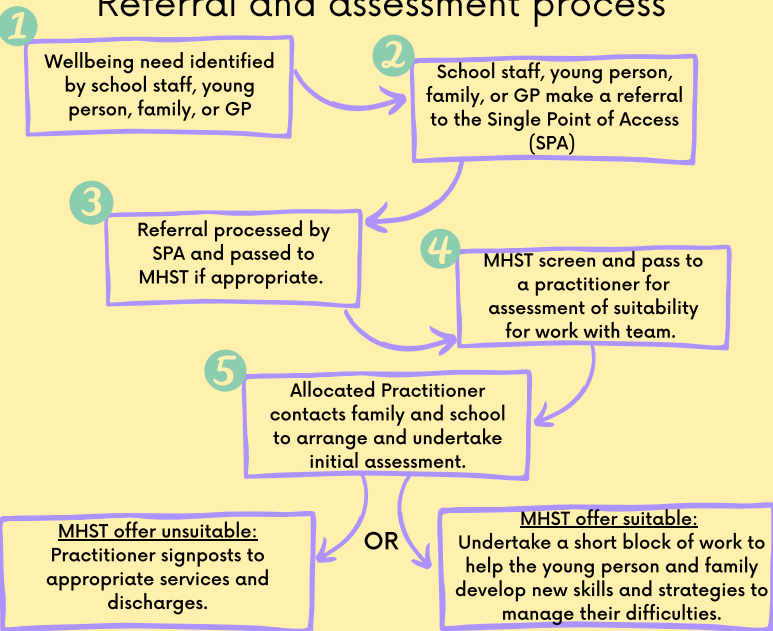

WHERE APPROPRIATE WE OFFER INPUT INFORMED BY ALTERNATIVE THERAPEUTIC APPROACHES TO CBT.

How do The MHST help young people on our caseloads?

FOR INDIVIDUALS

Referral and assessment process

THE BEST WAY TO MANAGE A YOUNG PERSON'S DIFFICULTIES MAY BE THROUGH GROUP WORK. WE OFFER GROUPS FOR YOUNG PEOPLE ON CASELOAD AROUND BOTH ANXIETY AND LOW MOOD.

WE OFFER ONE TO ONE AND PARENT WORK WHERE IT IS THERAPEUTICALLY APPROPRIATE.

The amazing poem below was written by a young person who has worked with our service.

Be The Rainbow

You don't always have to be happy
Everything's ok
Why not go and tell someone,
They could brighten up your day!

Don't bottle up your feelings
Don't keep them locked away
Don't let the sadness stop you
Don't let it stand in your way

You won't always feel like this
You can make a change
We all need to start somewhere
Rainbows come from Rain!
