	It is important to challenge homophobia because some countries still ban homosexuality, which needs to be challenged as

	homosexual, capital punishment is only used in certain countries and there are campaigns across the world to ban this. Hate
	crimes, abuse and violence also need to be challenged so that homophobia doesn't become normalised.

you about online safety? Why is it	
important to protect yourself online?	

What are ways in which you can protect yourself online?	Catherine Duleep Singh						
	Catherine Hilda Duleep Singh was born on 27 th October 1871. She had 2 sisters, 3 brothers and 2 half-sisters. Her father was Maharaja Duleep Singh, former ruler of Punjab, India.						
	The family lived in Elvedon Hall, which was very extravagantly decorated. When Catherine's father went to India for an extended visit, Catherine and her sisters moved to Hampton Court Palace. They had been invited to live there by Queen Victoria, who was their godmother.						
	Catherine was a strong supporter of women's right to vote. This was known as the suffragist movement. She was a member of the Fawcett Women's Suffrage Group, as well as the National Union of Women's Suffrage Societies (NUWSS).						
	After a trip to India, Catherine went to live in Germany. She lived in there with her partner, Lina Schäfer. As the Nazi Party gained power, life was increasingly difficult for people in Germany. LGBT people and people of colour faced a huge deal of discrimination, so life will have been hard for Catherine. Despite this, Catherine and Lina lived in Germany until Lina's death in 1937.						
	Jewish people were also targeted by the Nazi Party. Catherine and Lina helped several Jewish families to escape Germany. This is something Catherine continued to do after Lina's death.						
	When she died in 1942, Catherine had been living in Buckinghamshire. In 1997, Catherine and Lina's Swiss bank account and deposit box were discovered. There was a rumour that the deposit box may have contained rare and valuable jewels, however it actually contained a relatively small amount of money. https://www.youtube.com/watch?v=dMUQ1jDJ9Xk As part of the timeline, which date do you think is the most significant and why?
