

YEAR 7 HOME LEARNING - Cycle 1 15-09-25

Homework is given as part of a 3 week cycle

1. Week 1 – create flashcards
2. Week 2 – look, say, cover, write check (using the flashcards created in week 1)
3. Week 3 – Brain dump - a check to see how much you have learned

On week 1 of every cycle, you will be emailed the work to learn which are usually key words for that subject. We will also upload them to the website (Homework) and to MCAS under Important Documents. The point of the homework is to teach students how to revise effectively and to build up key vocabulary for each of their core subjects.

Here is the work per subject for this 3 week cycle

ENGLISH – Learn the following key words

Myths & Legends	Morality	Knowing the difference between right and wrong
	Hubris	Having excessive pride or self-confidence
	Protagonist/ antagonist	The leading character in a play, film, or novel

SCIENCE – Learn the following key words

Intro to Science/lab safety	Independent variable	The variable in an experiment that is changed.
	Dependent variable	The variable in an experiment that is measured.
	Control variable	The variable in an experiment that is kept the same.
